

HUGO WINES

FAMILY OWNED & ESTATE GROWN

HUGO GRENACHE

2021

Vineyard

Estate Grown 70 year old bush vine grenache from our McLaren Flat Vineyard – Cropping 1.5 Tonne per Acre

Winemaking

Fruit was handpicked; 15% whole bunches were included in the ferment, with the remainder of the fruit destemmed; but not crushed and fermented in 4 small 1 tonne open fermenters for 12 days.

The wine is then aged in larger format French oak Puncheons for 10 months before bottling.

Tasting notes

Volumes of clean fresh vibrant and juicy red berry fruit flavours of cherry and raspberry, with delicate spice and Turkish delight flavours complimented by fine silky tannins and a soft vibrant finish.
